By certificate of transfer from other church. Give name and address (if known.)

By Confirmation of Baptismal Vows. This is for those who have been baptized but were never confirmed or who have never actually joined any church.

By Confession of Faith and Baptism. This is the option for anyone who has never been baptized. (If you have ever been baptized, once is enough and you should check one of the other options above.)

Has you ever been ordained as an Elder or Deacon? _____ If so, which one? _____

Please list all children (even if grown) and grandchildren.
