Kathy Waychoff, the District volunteer Coordinator at College Community Schools asks for a coat drive from local churches...

"We have a shortage of children's winter gloves or mittens and children's medium and large snow pants. We have families who struggle under normal circumstances but with folks losing their jobs or their financial situation being compromised this year, our need is great. If your congregation has the opportunity to collect any of these items, we could appreciate it. We understand and are thankful that our churches have been instrumental in supporting our community in so many ways already this year so we appreciate your consideration of this project."

I will take any gently used children, youth, or adult sizes (lots of high schoolers are adult-size) winter coats to the school on Wednesday, December 16. Please drop them off at church before 11:30 a.m. on Wednesday, December 16.

Have a blessed day in Christ,
Pastor Julie
