

December 18, 2021 Daily Church Email

The Session of Elders met on Tuesday for their December meeting. After thoughtful discussion, the leadership team and I decided to encourage mask wearing again at church. We do so with the hope of getting through the week before Christmas and Christmas time without having a COVID outbreak within our church family due to our time together.

See this article for more information as recommended by Elder Diane Reist and considered by the Session: [Omicron/Delta and guidance for church - by Dr. Emily Smith \(substack.com\)](https://substack.com)

Praying for your health, contentment, and continued faithfulness,

Pastor Julie
