An observation about Thursday Christmas Eve service at 5:00 p.m.:

The sun was setting after a day of sun dogs in the sky and we said thank you for the incarnation of God as the most innocent of innocents--a baby born into the world. We are truly blessed to live in the time after Jesus to know of his teaching, his love, his salvation, and his grace. He always pointed to God and so we too look to the skies in the darkening sky, in the twilight of Christmas Eve. We look to God for the miracle of Christmas.

God bless you today.

In Christ,
Pastor Julie
