

# January 15, 2022 Daily Church Email

The Session has been talking via email this week and has made a change to our practices concerning COVID. See the approved Session motion below.

Concerning our worship practices and the upsurge of COVID-19 and after conversation with Diane and Joanne, and consulting with Stephanie our choir director, we propose to the Session a temporary change through the end of January in addition to encouraging mask wearing over the nose and mouth in person and continuing Facebook live streaming and posting to church website.

1. removing singing from worship
2. putting up the ropes again in the sanctuary blocking off every other pew
3. discontinuing coffee time after worship
4. suspending Sunday School
5. suspending vocal choir (through February)

Under our current circumstances, this is a rough step that feels like we are going backwards, but we will continue in the faith by living, loving, worshiping, and building up the church family.

In Christ,  
Pastor Julie
