Epiphany!

The Wise of Old
by Pam Hathorn

The wise of old had their epiphany;
a star shone in the heavens.
They searched
and found their fulfillment.

The foolish of today
look for a star in human guise;
they search
and seldom find what they seek.

We need to become wise again.
The wise still seek Him.
They seek Him,
not any lesser star
but the One who rules over the stars in the heavens.

Have a blessed Epiphany.
