

June 3, 2020 Daily Church Email

Tomorrow is our last day of school in our school district. It is a strange time, one that I hope we don't ever have to repeat.

Prayer for teachers, administrators, and staff:

Dear Loving God,

We thank you today for all of our teachers and educators who have dedicated their lives to educating our children, youth and adults.

We thank you God that our teachers help us learn to live productively within our communities and in our world.

We pray especially that you will fill them daily with encouragement by showing them specific ways that their teaching efforts are making a difference in their students' lives and in the world.

Keep their classrooms safe from all threat of harm.

Give our teachers the wisdom, training and staff support they need to deal with students with learning differences, health problems, different physical abilities, behavior problems, and difficult home lives.

Give them the grace to discipline students fairly and effectively.

Grant supportive parents and communities to all of our teachers. Keep the communication lines open between teachers and parents.

Provide times of rest and renewal for our teachers. Nurture their faith. Protect their health. Prosper their work.

We pray these things in the name and spirit of Jesus, the Good Teacher. Amen.

Have a blessed day in Christ,
Pastor Julie
