Moses said to the people, "Hear, O Israel: The Lord our God, the Lord is one. 5 Love the Lord your God with all your heart and with all your soul and with all your strength. 6 These commandments that I give you today are to be on your hearts. 7 Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up." Deuteronomy 6:4-7

When Moses brought the people the ten commandments from the mountain, it was an important moment that changed the course of the future of the people. But it only had meaning due to the changes that the people made in their lives and in their society to follow the commandments and to tell their children of them.

As we approach the year anniversary of the quarantine measures in the United States, we pray for our way through this, we rejoice at each step forward, and let us also tell how our faith shaped our personal response to the pandemic.

Someday a child may ask, "So, what was the COVID-19 pandemic like?" May your answer include how your faith in God changed.

Blessings to you in Christ,  
Pastor Julie
