Looking at discipleship/faith/ministry through the eyes of Rev. F. Rogers:

"When I was ordained, it was for a special ministry, that of serving children and families through television. I consider that what I do through *Mister Rogers' Neighborhood* is my ministry. A ministry doesn't have to be only through a church, or even through an ordination. And I think we all can minister to others in this world by being compassionate and caring. I hope you will feel good enough about yourselves that you will want to minister to others, and that you will find your own unique ways to do that."

Stick with it today, or find another ministry that you want to stick with.

Blessings to you in Christ,
Pastor Julie
