

October 11, 2022 Daily Church Email

Three days after the Chicken Noodle Soup and Kolach weekend and I am happy to report that everything went well. It is likely to be a record-breaking net gain with the donation of items, time, and skills. We will know the final numbers when receipts have been turned in.

Thank you to everyone who chipped in and gave their best to the project. May you be blessed by your attitude, your generosity, and your discipleship.

On another note, within twelve hours (from last night to this morning) I saw an owl, an eagle, and a deer in our church's neighborhood. They are preparing for winter. Let us be prepared too for whatever obstacles and challenges lay ahead.

In Christ,
Pastor Julie
